March 8th, 2019

Dear Parent Crew,

It is difficult to believe that we are already three-fourths of the way through the school year. Next week is the last round of P/T Conference and Spring Break is only a week away. The last two and a half months will fly by. At Pine Lane, we have already begun planning for the next school year and we would like to solicit your help on two things: 1) School improvement planning and 2) Parent input on class placement.

A community school has many stakeholders who all play a role in and are impacted by the functioning of the school. You, as parents, are one of our most valued stakeholders as you entrust us every day with your child to keep safe, instruct and inspire. For all of us, the students are our central focus and it is critical that we all have their best interest in mind. At Pine Lane our mission is to empower excellence in character, achievement, and contribution to a better world. We would like your feedback to help us effectively plan and prioritize our next steps as a school. Please take a few minutes to fill out the following survey: [2019-20 Parent Survey](#). The feedback will be anonymous and will be used by our school accountability team (Parents) and building leadership team (Staff) to identify areas of need and work to address them and better meet Pine Lane's mission.

Also, through the next few months, we will be working diligently, as a staff, to determine class placement for your child. Please be aware that we put great thought into this process and consider multiple pieces of data. Our goal is to establish the very best, and equitable learning setting for each of our students. As we do this work, we do want to provide an opportunity for you to offer input on what you think is important for us to consider. If you would like, you may submit the form linked here for each child: [2019-20 Class Placement Parent Input](#). Please note that we cannot honor specific teacher request and requests for specific teachers should not be part of this information. This form will be closed at the end of March.

As I send out this information, the Kurt Hahn quote that we frequently recite at Pine Lane resonates, "We are Crew, not passengers, strengthened by acts of consequential service to others." We need your help in making Pine Lane a great place for all kids and your input will be very useful. You are part of our Pine Lane Crew. As always, thank you for your support!

Chris Stairs
